It came out of the JIC in Durango. No one in R8 was involved. Rumor has it that someone from R9 prepared it, but I really don't know. I think some of it may have been taken from our webpage for the Upper Animas Mining District, but again, I don't know. It just looked familiar.

Nancy Gratham (Grantham, Nancy Grantham.Nancy@epa.gov) is the lead PIO now. She might be able to help you track down the source.
